

## Your Parent Portal

### New Parents:

Upon initial enrollment you should have received an email with a temporary login that looked something like this:

### “Getting Logged In:

You may now log in to [portal.myschoolworx.com](http://portal.myschoolworx.com) using the following username and password:

Username: [jane.doe@noemail.com](mailto:jane.doe@noemail.com)

Password: [Temporary Password]”

### Returning Parents:

Your password should be the same as last year. If you need a new password, select “Lost Password” from the login screen and follow the steps for resetting your password.

### All Parents:

You can download the My School Worx app from the following places:

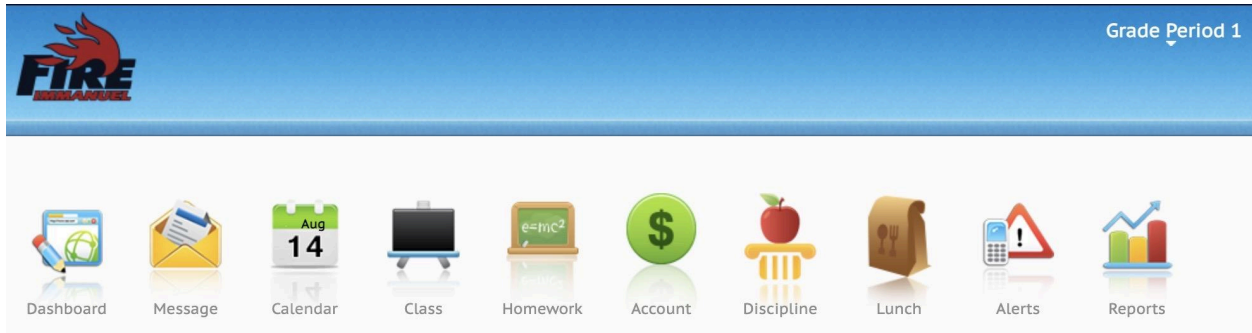

### Learning to Use:

Access My School Worx learning resources from your parent portal:

- Visit: [support.myschoolworx.com](http://support.myschoolworx.com)
- From the categories pane on the left, select “Parents”
- Watch the MySchoolWorx Parent "How To" Video User Guides
- Choose from the list of resources for further learning.

Keep in mind that the options available to you in the MY School Worx app are not as comprehensive as the web browser version. Be familiar with the functionality of both platforms.
